STATSPEC

15. (Internal Use Only - PLC) [REDACTED]
to the offices of Senators Mike Mansfield (D., Mont.), Hugh Scott (R., Pa.),
and Hubert H. Humphrey (D., Minn.).

16. (Unclassified - LLM) Spoke with Mr. Robert Penn, Manpower
Statistics Division, Civil Service Commission, to determine the accuracy
of the figures reported by the Senate Foreign Relations Committee in con-
nection with the 10 per cent overseas cut in S. 3526, Foreign Relations
Authorization Act of 1972. The Senate Committee report apparently has made
a substantial understatement of Federal civilian employees abroad. Mr. Penn
is sending me a copy of the most recent Civil Service Commission report on
the subject.

25X1A 17. (Internal Use Only - LLM) In response to a request from the
Office of Management and Budget, called Janis Humphrey and advised her
that since we are out of the picture now, we would defer to Department of
State with respect to their draft bill to authorize for fiscal year 1973 the sum
of \$ [REDACTED] for grants to Radio Free Europe and Radio Liberty, and
that the bill appeared to be a constructive step. This matter was coordinated
with CA Staff, General Counsel, and the Office of Planning, Programming
and Budgeting. I also called to Miss Humphrey's attention two technical
errors in State's proposed transmittal letter concerning the public law number
of the current authorization and the date of its approval by the President.

18. (Confidential - JMM) Attended a meeting of the Legislative
Interdepartmental Group in Clark MacGregor's office of the White House.
See Memo for Record.
